

The Herald and News.

H. H. WILSON, Editor.

The action of Lieutenant Governor Tillman, in a king President Roosevelt to withdraw his acceptance of an invitation extended by Mr. Tillman to deliver a sword to Major Michalek in the Charleston Exposition, on the ground that "the people of Charleston are wrought up over President Roosevelt's unwarranted action," in withdrawing an invitation to Senator Tillman to dine with Prince Henry at the White House after Mr. Tillman's conduct in the senate on last Saturday, is most uncalculated for, and we do not believe Mr. Tillman voices the sentiments of the people of South Carolina or of the "contributors to the sword fund" in this action. Even if the president's action in withdrawing the invitation to Senator Tillman was "unwarranted" we see no reason why an invitation of the character extended the President by Lieutenant Governor Tillman should be withdrawn.

The results of Tillman-McLaurin fistfight are putting South Carolina before the people of the country in a worse light every day, and the end is not yet in sight.

Each date on our mailing list is now in accordance with our subscription books, and so far as we know, is correct. Excelsior Items.

We have had plenty of snow for the past two days and the weather is still cold. The ground hog theory is going to work like a charm this year.

Good many oats have been sown in this section the past month. Good portion of the early sowing has been killed. Mrs. Caroline Cook has returned home after a few weeks visit to her daughters. Glad her health is much improved.

Mrs. Kinard spent a few days with her daughter, Mrs. J. S. Werts, in St. Lukes section last week.

Mr. F. E. Enlow visited Mr. Cromer's family here last week.

Mr. Rufus Kibler, of Newberry, visited his sister, Mrs. J. D. Stone, here last week.

We learn the rural delivery of the mail in this section will commence soon. This is good news as we need it and should have it.

The regular service in the school house next Sunday afternoon. Sunday was a bright lovely day for all church going people.

Miss Bessie Cromer spent last week with her sister in St. Lukes community.

This has been the coldest February we have had in a long time and in fact the entire winter has been very cold. Mrs. E. A. Counts spent last week with her father's family in this section. Miss Minnie McCartha spent Sunday night with Miss Bessie Cromer.

Miss Janie Kinard is visiting relatives in the Monticello section.

Mr. G. W. Cromer and wife visited his brother on Sunday and attended service at St. Lukes church.

We notice the time for paying taxes has been extended one month longer. Don't think this extension of time is right as it is only an advantage to the rich class of people. The tax books should be closed when the time is up and no extension allowed. Away with such legislation.

Jalapa Notes.

The weather has the appearance of Spring.

The young people around here enjoyed themselves sleigh riding, snow balling and ice creaming during the recent snow.

Mr. and Mrs. W. G. Peterson have been on a visit to their father, Mr. W. L. Waters.

Mrs. W. T. Buford spent Monday and Tuesday under the parental roof.

Some of the Beth-Eden boys were up last Sunday. We can't imagine.

There will be services at St. James next Sunday morning at 11 o'clock.

Miss Mamie Eddy is visiting her sister, Mrs. W. T. Buford at Garys.

We are pleased to welcome Mr. Clarence Sligh in our midst.

We hear that a rural delivery has been secured from Jalapa to "Shack."

The Bell Telephone is soon to be run through our town.

Rev. W. H. Throver preached an excellent sermon Sunday morning.

Mrs. Sallie Farrow died at her home Sunday evening and was buried at Tranquil Monday afternoon in the presence of a large concourse of friends and relatives. She was in the 20th year of her age and a consistent member of the M. E. church.

Mrs. Farrow was loved by all who knew her for her beautiful Christian character. We extend our heartfelt sympathy to the bereaved.

One less at home!
The charmed circle broken, a dear face missed day by day from its accustomed place.
But cleansed and saved and perfected by grace;
One more in heaven!

BACHMAN CHAPEL LETTER.

J. W. Discards the Non de Plume "Chips"—All the New-Around Bachman Chapel and Union Academy

We have been writing under and over the non de plume of Chips for a good many years, and we suppose nearly all the readers of The Herald and News who cared to know, have long since learned who Chips is. We don't propose to say that there is anything indecent or particularly wrong in writing over a fictitious name. But we have taken a dislike to the plan, and will, from now on, say what we may be permitted to say over our plain signature T. J. W.

Mr. John D. H. Kinard's little son, Herman, has about recovered from a severe attack of bronchial trouble.

Colds, colds, yes, they are severe colds and have become epidemic, and a good deal of gripp and pneumonia has been mixed along.

Will Paysinger, a negro boy about 21 years of age, died with pneumonia on Mr. J. Cal. Neel's place last week. Will was a good, quiet, reliable boy. We never heard any harm spoken of him, and so far as we know he was faithful to duty.

Mr. George Gallman, who is working on the Southern Road as mail boy, came home Saturday during the snow with a cold and very severe hoarseness. He doctored himself for a few days and returned to duty. Master George is a good talker, and we fear that his hoarseness came from talking to those railroad people too much.

We have another country store which has always supplied our memory when writing. G. M. K. Bobb, son of Mr. W. M. Bobb, opened at his father's home on Ridge Road about three or four months ago. We learn that he is doing a bustling little business.

Mr. Thomas Franklin moved to the Newberry cotton mill since my last writing.

We learn that Messrs. J. W. Werts, of Jolly Street, and A. G. Long, of Ridge Road, will also move, this week, to the Newberry cotton mills at Newberry. And still they go. Newberry cotton mills are getting a number of our good people from this section. We hate to give them up. But we earnestly hope that peace, health and plenty will crown their labors.

There are more empty houses throughout this section than I have ever known; the fact is there's not enough labor left to cultivate all of the soil. This certainly means a reduction not only in cotton, but also in corn, and less fertilizers.

The Bachman Chapel Sunday-school was reorganized on Sunday evening the 9th inst. Jefferson Quattlebaum was elected superintendent, with J. A. C. Kibler as assistant superintendent. The teachers elected are as follows:

Bible class No. 1, Jefferson Quattlebaum; class No. 2, R. N. Taylor; class No. 3, G. S. Livingston; class No. 4, Mrs. Callie Quattlebaum; secretary and treasurer, B. M. D. Livingston. We are glad to see the school reorganized and go back to duty. Sickness, negligence, or carelessness is the only excuse for not having one among the best county Sunday-schools at Bachman Chapel that can be started anywhere.

We have the children, and the officers are all a good set of Sunday-school workers, and we see no cause why the Sunday-school work should not grow and prosper. It has been a question which has caused considerable discussion among the Sunday-school workers as to the best way to obtain punctuality and regularity in the Sunday-school. We think this problem is very easy to solve. Just let the parents and the older heads turn out and always be punctual and on time and the children will follow. The fact is, we parents, as a rule, expect too much of our children.

We expect them to be leaders in the Sunday-school and other Christian duties while they should only be followers. Now let's go right down to the bottom of the fact; if it is good for the fathers and mothers to stay at home and read newspapers, novels, talk politics, visit around among the neighbors, and have a big time in general, is it any worse for the children to play ball, kill lizards, ride calves, throw rocks, fight, box, wrestle and do many other evil things? Let's tote fair with the children, teach a little by example and we will find them to be just about as good as we teach them by our daily walks. The school met yesterday and we were proud to see a good turnout; but still there were others who could have been there. The regular time for meeting will be on preaching days just an hour before preaching. The time for preaching has not yet been arranged.

Mr. W. F. Enlow visited Mr. James Wicker of St. Paul's section last Saturday and Sunday.

Mr. L. L. Moore was confined to his room with cold or gripp for a few days last week.

Mrs. H. R. Epps, who has been visiting her daughter and family, Mr. and Mrs. S. A. Rikard, of Long Lane section, for the past six weeks, returned home last Sunday with her son Thomas L. B. who went up on Saturday.

We are sorry to learn that Rev. J. A. Sligh has been suffering with gripp for the past week, also our pastor Rev. O. H. Armstrong with the same trouble. We hope that they have fully recovered by this time.

Rev. P. H. E. Derrick will resume his work with the Bachman Chapel pastorate, commencing next Sunday. As we are informed he will preach at Bachman Chapel on the second Sunday.

We haven't yet learned whether the services will be in the forenoon or afternoon. Perhaps this arrangement has not yet been made.

Very respectfully, T. J. W.

Feb. 24, 1902.

Resolutions of Respect.

The following resolutions were unanimously adopted Sunday by the congregation of the A. R. P. Church.

God in His providence always deals wisely although we often think strangely. In this we are reminded that His ways are not as our ways, but we know that He doeth all things well. Those whose services to the State and Church are most valuable are often taken from us.

Mr. C. F. Boyd, whose untimely death we this day mourn, was a most useful member of the church and a good and honored citizen of this town. His Godly walk and conversation was especially helpful to us, and we believe will indelibly impress this community as worthy of emulation. He bore a spotless reputation, and was a man of unvarnished character, and his life an abundant proof and testimony to the indwelling of the Holy Spirit. Truly a good man has passed away. In his death we all lose a cheerful and faithful friend, society a liberal, patriotic, and Christian citizen, the church a most efficient officer and useful member, the family an affectionate and devoted husband and father. Therefore, be it resolved:

First, That we bow in humble submission to the Divine will.

Secondly, That we hereby testify to his unselfish devotion to duty at all times and under all circumstances, to his willingness to fully and faithfully perform all work assigned him both for County and Church.

Thirdly, That we most sincerely regret his death as an irreparable loss to this Church, and that we extend our deepest sympathy to the bereaved family, and commend them to the care of Him who is our friend in every time of need.

Fourthly, That a page in our minute book be inscribed to his memory, and a copy of these resolutions be sent to the family, the A. R. Presbytery, and the County papers.

BY THE SABBATH SCHOOL.

Resolutions adopted by the Sabbath School of Thompson St. Church, Newberry, S. C., Feb. 23rd 1902:

Whereas, in the providence of God, Calhoun F. Boyd quietly "fell to sleep" on the morning of Feb. 23rd, 1902, and

Whereas, We, the members of the Sabbath School in which he was Assistant Superintendent and a beloved teacher, desire to give expression to the loss sustained by our Sabbath School and our sorrow at his death, and to place on record our high appreciation of his noble Christian character as we enjoyed it in his work among us,—being an officer who was always prompt in his attendance and zealous in his duties, and a teacher who made thorough preparation in the use of the most helpful literature, and coming to his class full of faith and of the Holy Ghost;

Therefore be it resolved,
First, That in his death our Sabbath School has lost a most faithful member and beloved teacher.

Second, That his teaching by example as well as precept was an inspiration to the young, the admiration of the old. Love for the Master dominated his every action.

Third, That we are grateful for the influence of his Godly life,—for his earnestness, for his intensely-earnest conviction, intensity of action, intensity of purpose.

Fourth, That we, his associates and pupils will ever remember with gratitude the privilege permitted us of associating with and being taught by this true disciple of the Lord Jesus, "Who he was and whom he served."

Fifth, That we extend to his bereaved family our sincere sympathy, with the assurance that we believe he has gone "to walk with Jesus in white, for he was worthy."

Sixth, That copies of these resolutions be sent to the bereaved family and to the church and county papers.

Mamie Renwick,
Rachel B. McMaster,
Committee.

Four Good and Sufficient Reasons.

There are four good and sufficient reasons why you should use "Clifton" flour:

1. Because it is the best patent flour in the market, and makes the whitest and lightest biscuit and rolls and most delicious cake and pastry.

2. Because it is absolutely pure, being guaranteed by the Anti-Adulteration League, the executive committee of which will pay any one who discovers any adulteration in it a reward of \$1000.

3. Because it is made of the best selected wheat grown on Kentucky soil and is milled as much with regard to the nutritive value of the flour as its color and rising qualities.

4. Because it is the only flour manufactured south of the Ohio river that is guaranteed by and bears the Anti-Adulteration League trade mark, thus affording the consumer absolute immunity from the poisonous mineral that is being used to adulterate flour.

WOMAN

HER CARE AND HAPPINESS.

Never did women accept the truth of Mother's Friend more willingly than those thousands who have tried it. The prime object in a medicine for expectant mothers is safety and virtue, qualifications impossible in a medicine made of nasty, injurious and stimulating drugs.

MOTHER'S FRIEND

is a liniment rubbed in the hands—something to lubricate the internal tissues and muscles. Something gentle, comforting and refreshing; a balm for the nerves, a softener for the cords holding the heavy burden, an invigorator for the muscles, making them elastic, thereby permitting with ease expansion as the fetus grows to be a live baby.

Stop the Blight

It is a sad thing to see fine fruit trees spoiled by the blight. You can always tell them from the rest. They never do well afterwards but stay small and sickly.

It is worse to see a blight strike children. Good health is the natural right of children. But some of them don't get their rights. While the rest grow big and strong one stays small and weak.

Scott's Emulsion can stop that blight. There is no reason why such a child should stay small. Scott's Emulsion is a medicine with lots of strength in it—the kind of strength that makes things grow.

Scott's Emulsion makes children grow, makes them eat, makes them sleep, makes them play. Give the weak child a chance. Scott's Emulsion will make it catch up with the rest.

This picture represents the Trade Mark of Scott's Emulsion and is on the wrapper of every bottle.

Setting A Prisoner Free.

A man with rheumatism is a prisoner. His fetters are none the less galling because they are invisible. To him Perry Davis' Painkiller comes as a liberator. Robbed well into the swollen, stiffened joints it not merely drives away the pain, it makes the muscles pliable so that the prisoner becomes a free man. There is but one painkiller, Perry Davis'. 25 and 50 cts.

Working 24 Hours a Day.

There's no rest for those tireless little workers—Dr. King's New Life Pills. Millions are always busy, curing Torpid Liver, Jaundice, Bilelessness, Fever and Ague. They banish Sick Headache, drive out Malaria. Never gripe or weaken. Small, taste nice, work wonders. Try them. 25c at all druggists.

A Night Alarm.

Worse than an alarm of fire at night is the brassy cough of croup, which sounds like the children's death knell and it means death unless something is done quickly. Foley's Honey and Tar never fails to give instant relief and quickly cures the worst forms of croup. Mrs. P. L. Cordier, of Manington, Ky., writes: "My three year old child had a severe case of croup; the doctor said she could not live. I got a bottle of Foley's Honey and Tar, and the first dose gave quick relief and saved her life." Re-use substitutes. Gilder & Weeks.

If you want to gain a woman's everlasting friendship ask her advice and follow it.

A Thousand Dollars Thrown Away.

Mr. W. W. Baker, of Plainville, Neb., writes: "My wife had long trouble for over fifteen years. We tried a number of doctors and spent over a thousand dollars without any relief. She was very low and I lost all hope, when a friend suggested trying Foley's Honey and Tar, which I did; and thanks be to this great remedy it saved her life. She is stronger and enjoys better health than she has ever known in ten years. We shall never be without Foley's Honey and Tar and would ask those afflicted to try it. Gilder & Weeks.
